

The Bible says in **1 Corinthians 12:17**:

*If the whole body were an eye, where would the sense of hearing be? If the whole body were an ear, where would the sense of smell be?*

This passage is talking about Christians forming one body, but of many different parts because everyone is different and everyone is important. As one body, we should care for each other.

Write down the different talents related to different parts of our bodies (e.g. Hands: music; Ears: listening). Add your own parts if you want.

Circle which talents you naturally have. How can you use those to serve others?

Remember that a body that's just hands is useless. We're all different for a reason. Be unique. Be You.
