The Essential Church

Acts 2:33-47 – The Birth of the Church

"Exalted to the right hand of God, He has received from the Father the promised Holy Spirit and has poured out what you now see and hear." (Acts 2:33)

If you asked a friend to imagine what the world would be like without the church, they'd be unlikely to break a sweat. Mostly, everything would stay the same except all the church buildings would disappear, which might not be such a bad thing. After all, those Christians haven't always got along very well!

What they wouldn't expect is that, along with the church buildings, all the hospitals, schools, hospices and countless charities that exist for the public good would disappear too. Nor would they expect the football stadiums to be replaced by arenas in which the main form of entertainment was people killing each other. They wouldn't expect it because modern people have come to think of the centuries-long achievements of the church as 'normal life', when the truth is there is nothing normal about it at all.

This morning we'll go back to the very beginning of the Christian revolution and consider together the birth of the church, its extraordinary impact on the ancient world, and how it remains the best hope for the world today.

This Evening

Our monthly evening service will be at 6pm when John Jones will be speaking and Clive Pooley giving his testimony. Do come along if you can.

Next Week (15th)

Jez Taylor will be leading us next week at our live@10 service, continuing the series on the Essential Church.

Next Month

PRAYER DIARY : 9TH - 15TH FEBRUARY

For wisdom is more precious than rubies, and nothing you desire can compare with her. Proverbs 8:11

Monday In a recent sermon, Chris reminded us that our prayers really matter and are taken seriously by God and really do affect situations on earth. Father God, we pray that Your Spirit will guide us to pray with purpose and sincerity, with faith and trust in our Heavenly Father to answer prayer. Help us to prioritise prayer this year.

Tuesday Father God, we pray that You will manage the world chaos that results on a daily basis because of the inappropriate statements from politicians. We pray and know that Your plans will not be thwarted, we pray for stability in the world and that You will place a genuine desire for peace in the hearts of world leaders.

Wednesday Heavenly Father, we pray for the many Christians who struggle with various degrees of mental health problems. As a church we pray that You will guide us to support them in appropriate ways. We also pray for their families who often struggle to cope emotionally with unending trauma and sadness. We especially pray that You will comfort families who have lost family members due to mental health crises.

Thursday Lord, we pray that You will control those who wish to prevent religious freedom in many countries around the world. Today, we particularly pray for the two million Christians in Saudi Arabia where there are no official public churches. We pray for Christians in Afghanistan, it is 4 years since the Taliban took control, in times of fear and silence, pray that they will be strong, and that the Spirit will add to their numbers. Pray for the very few Christians in Libya who face incredible danger from the authorities, Muslim extremists, family, and communities. Pray for Iran and for Christians who stand firm in their faith against the authorities, that they will be strengthened by the Spirit and that many new disciples will come to faith. Pray for Pakistan where the blasphemy laws impact Christians, pray for true justice and for the lawyers who represent Christians. The world wide church needs our prayers.

Friday Father, we pray that the newly created private prayer space at VBC will be blessed by Your Holy Spirit and be a place where faith allows You to work to Your glory in the lives of our members.

Saturday With CLT elections on 25th February we pray that You, Lord, will have selected the candidates who You have gifted to serve You in such a time as this. Speak Your will clearly to Your servants and let them obey the words of God.

Sunday *“If any of you lacks wisdom you should ask God who gives generously to all without finding fault, and it will be given to you” James 1:5* Lord, we bring to You today the situations we face which call for wisdom. We pray also for knowledge, prudence, righteousness, discretion and justice which are some of the qualities that accompany wisdom, in Jesus name, Amen.

GIRLS' BRIGADE

Do you have a heart for building into the lives of girls as they grow up in a world of significant challenges? Our Girls Brigade needs more leaders. There are several loyal and committed leaders / helpers already but more are needed if GB is to meet safeguarding responsibilities. Please pray about whether this is something you can commit to. With enough helpers a rota could potentially be set up. More girls have signed up this new year which shows the need for GB to thrive. PLEASE help it to thrive. Talk to Jenny or Emily to find out more.
